- | | |
|------------------------------------|--------------------------------|
| Violaceæ— | Myrtaceæ— |
| <i>Hybanthus filiformis.</i> | <i>Kunzea corifolia</i> |
| Hypericineæ— | <i>Melaleuca thymifolia</i> |
| <i>Hypericum Japonicum.</i> | ,, <i>nodosa</i> |
| Rutaceæ— | ,, <i>linarifolia</i> |
| <i>Philotheca Reichenbachiana.</i> | <i>Backhousia myrtifolia</i> |
| Geraniaceæ— | <i>Angophora cordifolia</i> |
| <i>Geranium dissectum.</i> | <i>Leptospermum scoparium</i> |
| Euphorbiaceæ— | <i>Backea brevifolia</i> |
| <i>Poranthera ericifolia.</i> | <i>Callistemon salignus.</i> |
| Stackhousiaceæ— | Umbelliferæ— |
| <i>Stackhousia monogyna.</i> | <i>Actinotus helianthi</i> |
| Ficoideæ— | <i>Apium australe</i> |
| <i>Mesembryanthemum equi-</i> | ,, <i>prostratum</i> |
| <i>laterale.</i> | <i>Hydrocotyle hirta.</i> |
| Leguminosæ— | Proteaceæ— |
| <i>Pultenea paleacea</i> | <i>Telopea speciosissima</i> |
| <i>Desmodium varians.</i> | <i>Persoonia salicina</i> |
| Saxifrageæ— | ,, <i>ferruginea</i> |
| <i>Ceratopetalum gummiferum</i> | <i>Conospermum ellipticum</i> |
| ,, <i>apetalum</i> | ,, <i>tenuifolium.</i> |
| <i>Callicoma serratifolia.</i> | Thymeleæ— |
| Haloragææ— | <i>Wickstrœmia Indica.</i> |
| <i>Haloragis teucrioides</i> | Rubiaceæ— |
| ,, <i>micrantha.</i> | <i>Psychotria loniceroides</i> |

Rubiaceæ—

*Galium Gaudichaudi**Morinda jasminoides.*

Compositæ—

*Cassinia longifolia**Lagenophora Billardieri.*

Stylidæ—

Stylidium lineare.

Goodeniaceæ—

Scævola microcarpa,, *hispida**Goodenia stelligera.*

Gentianeæ—

*Villarsia reniformis**Erythræa australis.*

Primulaceæ—

Samolus repens.

Myrsinæ—

Ægiceras majus.

Jasmineæ—

Notelæa longifolia.

Asclepiadeæ—

Marsdenia suaveolens.

Lentibularinæ—

Utricularia dichotoma.

Labiatae—

Scutellaria humilis,, *mollis**Prostanthera denticulata**Prunella vulgaris.*

Epacridæ—

Melichrus rotatus.

Orchidæ—

*Lyperanthus ellipticus**Cymbidium suave**Thelymitra venosa**Dipodium punctatum.*

Liliaceæ—

*Dianella levis**Blandfordia nobilis**Thysanotus tuberosus**Cæsia vittata**Geitonoplesium cymosum**Tricoryne simplex.*

Xyridæ—

Xyris complanata.

Commelynaceæ—

Commelyna cyanea.

Juncaceæ—

Xerotes longifolia,, *multiflora*,, *flexifolia.*
